**REMINDER**

## ***Town Comprehensive Plan Meeting Tonight***

### **COMPREHENSIVE PLAN WORKSHOP TONIGHT**

*A Message from Supervisor Smith*

The Town needs your ideas to help us finalize the draft Comprehensive Plan. Today's public workshop kicks off at 6:00pm, at Fire Station #2, 465 Mendon Road.

Even if you've attended the previous public sessions, your input today will be important.

The Comprehensive Plan is intended principally to shape our zoning laws and land use planning as it affects future policies and practices regarding open space, walkability, development, sustainability and preserving our community's character, among others.

It's not truly comprehensive if we don't hear from as broad a representation of Pittsford residents as possible. For this purpose, even though the Town mailed a notice to every household in Town several weeks ago, I wanted to remind you today.

If you can't participate tonight, you can comment on the Comprehensive Plan at the dedicated website we've established for it, [www.PittsfordPlan.com](http://www.PittsfordPlan.com).

I hope to see you tonight.

### **TOWN COMPREHENSIVE DRAFT PLAN ONLINE, PUBLIC WORKSHOP IS TONIGHT | MON., 1/28**

The [draft of the Town's Comprehensive Plan Update can be found online](#) under the "News" or "Project Resources" links at [www.PittsfordPlan.com](http://www.PittsfordPlan.com). The community workshop for the Town of Pittsford's Comprehensive Plan process will take place TONIGHT (Monday, January 28) from 6:00 - 9:00pm at the Pittsford Fire Department Station #2, 465 Mendon Road.

The Town's Comprehensive Plan Committee and its consultant, Bergmann Associates, will present the draft Comprehensive Plan for public comment. Residents should receive this week the information postcard the Town has mailed to every household in Pittsford. For complete information about the draft plan and the comprehensive plan process, please visit [www.PittsfordPlan.com](http://www.PittsfordPlan.com).

The Comprehensive Plan Workshop is an opportunity for residents to share views and ideas about the Town's draft Comprehensive Plan. The draft plan was shaped by community input at public workshops held at the beginning of the process. The plan's Citizen Committee took this input and worked with the consultant to create

the draft plan. The public workshop is to solicit views of residents on the draft before it goes to the Town Board for consideration and adoption.

Community engagement in comprehensive planning is indispensable to getting the plan right and applying it successfully over time, with public support. If you can't make the meeting you can comment online. However we value hearing from residents in person and from a variety of viewpoints. We hope you can join us for this important meeting, as we bring a very thorough public process to its conclusion.
