GIVE ZONING CODE UPDATE COMMENTS AND IDEAS VIA THE ONLINE MAPPING TOOL

Mapping Tool commenting period open through April 25

Our Zoning Code Update is underway. Current pandemic protocols prevent traditional in-person workshops at this time but **the Interactive Mapping Tool on our Zoning Code Update website provides a virtual workshop that's open 24 hours a day, seven days a week** through April 25.

To let us know your thoughts about how and where to implement zoning changes that will best meet the needs defined in our Comprehensive Plan and Active Transportation Plan:

- Visit www.townofpittsford.org/zoningupdate
- Scroll down on the home page or click the "Your Input" tab and click "View the Map."
- Make your comments – and give your input on comments made by others – by dragging and placing a marker icon using our Zoning Code Update Interactive Mapping Tool.
- Once you place a marker icon, a comment box opens for you to add a comment to that location on the map.

- Comment categories include Residential, Commercial & Mixed Use, Canal, and General.
- Comments can also be submitted to zoningupdate@townofpittsford.org or mailed to Doug DeRue, Town of Pittsford, 11 South Main Street, Pittsford, NY 14534; please indicate whether you are a Town or Village resident.

The Pittsford Zoning Code Update Interactive Mapping Tool, and details about how to use it, can be found at

www.townofpittsford.org/zoningupdate/mapcomments.

You can make comments right on the map and can view and interact with existing comments by clicking on the comment markers on the map. Please remember, the commenting period via the **interactive map will close on April 25**.

Learn more about the Zoning Code Update and find links to the Town's Comprehensive Plan, Active Transportation Plan, current Zoning Code, and other informational materials, on the **Zoning Code Update website** at www.townofpittsford.org/zoningupdate.

If you missed our first online Zoning Code Update Workshop, you can [view it here](#). This link also can be found on the Zoning Code Update website. Additional public input events – including an opportunity to provide direct feedback on the proposed Zoning Code and Map updates – will be offered later on in the project timeline. SEASONAL PARKING RESTRICTIONS IN EFFECT THROUGH APRIL 1, 2021

In order to facilitate snow removal, Town of Pittsford seasonal parking restrictions are currently in effect through April 1, 2021. Parking of any vehicle on public roads - including state highways and on the shoulder of all roads - is prohibited each year from November 15 through April 1 in all areas within the Town and outside of the Village. During this time, please don't park on or along public roads outside of the Village. Please note violators may be ticketed or towed.

When the snow flies, we need roadsides clear of vehicles so our plows can get through. This is especially true in neighborhoods, where the streets are narrower. Vehicles parked along the roadside can hinder plows accessing your neighborhood. Please help us keep our streets safe and accessible!

ASL INTERPRETER ALWAYS AVAILABLE AT TOWN BOARD MEETINGS

The Town of Pittsford has an American Sign Language interpreter available at every Pittsford Town Board meeting, to interpret for those who need this service. Those who can't attend a Town Board meeting in person but are planning to watch the meeting's live stream can confirm their need for the interpreter by emailing comments@townofpittsford.org. Requests can be made in advance or can be emailed through the first ten minutes of the meeting. An on-demand Town Board

meeting video with closed captioning will be available within 48 hours of the meeting; visit www.townofpittsford.org/home-channel12 and use the On-Demand links to view previously recorded meetings.
